

BE A GREEN MEETING ATTENDEE

Simple things attendees, speakers, sponsors and exhibitors can do to reduce their impact and create a more sustainable meeting experience.

Ride Metrolink from the airport to the hotel - two blocks from the Union Station stop

Be conscious of your energy and water use at the hotel. Turn off the lights and reuse your towels.

Bring your own reusable water bottle, coffee mug and bag.

Take digital notes and utilize online resources in lieu of paper.

Refuse disposable straws in restaurants.

Dispose of waste in proper waste streams and receptacles.

Purchase \$100 carbon offsets for your travel when you register.
